## What can LifePlan™ give me?

- \* New perspectives
- \* Purpose
- \* Answers
- \* Clarity
- \* Focus
- \* A life strategy

## What is Tom Paterson's LifePlan™ process?

- \* Your LifePlan™ begins with understanding that God had a plan for your life before your conception.
- \* LifePlan™ lasts TWO DAYS—back to back—ten to twelve hours each—in an informal and relaxed atmosphere for an intensive look at your life, guiding you toward finding the unique plan for which God created you.
- \* Your LifePlan™ is a process. God inspires it from the unrolling pages of your life story. It is life-tailored to you, to provide a personal blueprint to keep you focused and intentional—now and in the future.
- \* It is trusting that His plan is not something you construct—it is discovered. And it becomes an ongoing process, becoming the man or woman that God wants you to become.
- \* It mandates asking the Holy Spirit to guide the process of looking at your Sacred Trust- your gifts, God's activity throughout your life, and the life experiences you've encountered- allowing the Holy Spirit to bring spiritual discovery and breakthrough thinking.
- \* It is applying your unique giftedness toward your unique purpose. It is not about "doing,"—it is about "being" and "becoming"—proactively reaching for the God-designed—you.

- \* It is believing and understanding that when you use your unique gifts—you fulfill your unique purpose.
- \* It is allowing your LifePlan™ facilitator to guide you through two very full days of life constructs and exercises to help you discover that purpose.
- \* It is anticipating that second afternoon when you'll created your personal action plan for the five domains of your life: Personal, Church & Kingdom, Family & Friends, Vocation, and Community.
- \* It is opening your life to a same-sex LifePlan™ Partner of your choosing who will help you stay on task—it's being accountable.
